## 2017-18 Children's Theatre Season

### #2. **The Christmas Elf - November 11 - December 28**

Every Christmas, Santa employs countless helper elves to keep watch over the world's kids to see who's being naughty and who's being nice, but not everyone wants Christmas this year. Find out what happens when one clever elf is met by some concerned toys who are worried about being replaced in this brand new musical where fun and imagination come to life this holiday season.

### #3. **Pinocchio - January 13 - February 11**

It's the timeless story of a special wooden puppet's quest to become a real boy. With his faithful friend Jiminy Cricket by his side, Pinocchio sets out on larger than life adventures that teach him the meaning of bravery, honesty, and family until his dreams finally come true.

### #4. **Goldilocks - February 24 - March 31**

A brand new twist on the classic tale of a mischievous little girl and her encounter with the bear family. This topsy-turvy new adaptation is full of fun and adventure that is not too big, not too small, but just right.

### #5. **Sleeping Beauty - April 14 - May 20**

It's not always easy being a princess, especially when a wicked witch places a spell on you. But all is not lost for Princess Aurora as long as she has her three silly but good-natured fairy Godmothers by her side. But even the best intentions can't always protect the princess, and when the spell comes true, only a very special prince can free her.
