2018-19 Children's Theatre Season

#1. Little Witches - October 6 - 28

Just in time for Halloween, this spellbinding new musical is sure to answer the question: are you a good witch or a bad witch? When three teenage witch sisters are ready to grow up and fly their own brooms, they learn that there is more to being a witch than spells, potions, and Halloween mischief.

#2. The Christmas Elf 2 - November 10 - December 23

The Christmas elf is back! It's that time of year again for Santa to call on everyone's favorite elf and his toy friends to bring holiday joy to boys and girls all over the world, but this Christmas is about more than presents and carols. With new adventures and new challenges, our hero must enlist all the help he can get to save Christmas for everyone.

#3. Rumpelstiltskin - January 12 - February 10

What's in a name? An awful lot in this classic tale of a peculiar magic troll and a special young girl willing to give anything to spin straw into gold and become a Princess. But when the cost is too high, it is up to the quick-thinking and determination of the Princess to play the ultimate trick on the ultimate trickster.

#4. The Princess and the Frog - February 23 - March 31

When a young princess is unable to find a suitable prince, she turns to a very unlikely friend to help her. Little does she know that the secret to her happiness is right under her nose in this brand new musical that shows sometimes true love can be found in the least likely of places.

#5. Snow White - April 13 - May 19

Mirror, mirror on the wall, who's the fairest of them all? It's the timeless tale of a beautiful princess, a wicked stepmother, and a poisoned apple. When the jealous queen places a curse on Snow White, the only thing that can save her is the help from some very clever new friends and true love's kiss from a handsome prince.
